I thought by now America's message was clear, Washington needs to end the association with special interest groups. XM radio is offering a free market service that voters/TAXPAYERS are willing to pay for to avoid tuning in to AM or FM radio. The reason for me is simple, BECAUSE YOU THE FCC ARE UNABLE OR UNWILLING TO REGULATE OBSCENE LANGUAGE by the disc jockies so I must protect my teenage daughters by turning off AM and FM for the GREAT, BEST THING THAT EVER HAPPENED TO RADIO
